Schedule for 2007:

I plan on racing some of the SRAC schedule with a few national races. See attached pages 4 & 5

Hobbies:

- BMX Riding
- X Box 360
- Swimming
- Wakeboarding
- Snowboarding
- Skateboarding
- Racing my RC Car

What I'm looking for in a sponsor

- A mutual relationship between rider & sponsor to mutually benefit each other.
- Professional help to keep our bikes running at peak performance and safe.
- Moral Support on and off the track
- Financial help so we can afford to keep racing

How we can help our sponsors

- Advertising on our trailer and bikes
- Recommending our sponsors products and services to promote more business both on and off the track.
- Links to their websites from ours
- Promotions in our newsletters
- We are loyal to people that help us. We also have other projects in the works that may be great in the future.

Summary:

I like to go fast! I'm working hard to get better and faster. We really like the people we meet and it seems like one big family when we're racing. I really like that everyone helps each other just so their kids can race against each other.

Thank You:

Thank you for considering me for sponsorship. We have requested you as our sponsor because,

- We believe in your products and service
- You are well respected in our sport
- We truly need your help
- We want to help promote you
